

## **Victor® Fly Trap with Bait**

### **Instructions:**

1. Open fly traps.
2. Pour bait into cup and add water to fill line located approximately 1" from bottom of trap. *Note:* Allow several hours for activation.
3. Hang from tree or stake.
4. Place in calm, sunny locations, about 25 feet from activity areas.
5. To dispose, submerge trap in hot water, then wrap in plastic bag and discard in trash.
